May 2 house plan is a variant version of Maja house plan. From the basic design differs double garage and enlarged utility room, so useful at home. External aesthetics of this version has also been changed. It refers to the trendy lately style full of charm, at the same time gave the impression of solidity and harmony homes for the middle class. Spacious and comfortable interior is well thought out and hides all the necessary functions, however, it was scheduled for a reasonable surface. Maja 2 house plan is also available in mirror version.
