Cheerful 4 house plan is another version of Cheerful house plan. The building is ideal for narrow plot. The interior has been designed in such way that the living room is lighted from the three sides. Thanks to this house can be built on a plot of adverse sunlight. On the ground floor in addition to a large living room, kitchen overlooking the garden and extensive lobby there is an extra room with a private bathroom and a garage. On the top floor there are three bedrooms (two with walk-in closets) and a bathroom with walk-in closet (or laundry). Cheerful 4 house plan is also available in mirror version.
